

Witchdoctor Records

Est 1999 - Witchdoctor Records

For many reasons we have moved away from CD releases. With the current technology available and the way cd sales are declining it was decided that we would not plan any physical releases for the immediate future. Formed in 1999 Witchdoctor Records has always been about moving forward and embracing new challenges. Please visit our artist Profiles on the following links and buy some DIGITAL DOWNLOADS.

Architecture Of Aggression -
