

All Forlorn

Determined, crazed and brutal...All Forlorn are a band that bring the pain all the way from Gauteng, South Africa.

These five men are driven by a number of forces and are guided by the powerful forces of 13th Note Management and Tour liaison Twelve Gauge Management. With an album set to be released soon and a nationwide Tour with NILE coming up in October, the band are set for great success. Not only are the band touring with NILE, but will also be supporting CARCASS at this year's Witchfest alongside a number of veritable South African bands!

Catch these guys in your area soon. They show no signs of slowing down and there's little out there that can stop them from reaching the top!
